

No. 1296 / January 30th, 2024

DECLARATION OF CONFORMITY

according to REACH (Regulation (EC) No. 1907/2006 - on registration, evaluation, authorization, and restriction of chemicals)

Oțelinox studied the provisions stipulated by Regulation (EC) No. 1907/2006, known as REACH¹, for Registration, Evaluation, Authorization and Restriction of Chemicals and its impact on our manufactured products.

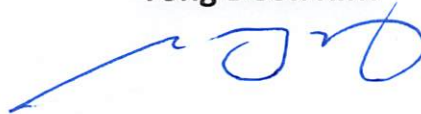

According with these provisions our products are defined as „articles”.

Taking into account current available data and the position of raw material suppliers, Oțelinox, as a downstream user, has no obligation to register the substances presented in articles supplied to its customers.

Herewith, we declare that we comply with the legal requirements stipulated by Regulation (EC) No. 1907/2006 (REACH) and our products, cold rolled stainless steel strips, do not contain any of the substances:

- exposed in the candidate list² of substances of very high concern (SVHC), last updated by ECHA on January 23rd, 2024;
- mentioned in Annex XVII³ of the REACH Regulation.

**General Director,
Yong Deok KIM**

¹ REACH is a regulation of the European Union, adopted to improve the protection of human health and the environment from the risks that can be posed by chemicals, while enhancing the competitiveness of the EU chemicals industry.
