

No. 4235 / March 30th, 2021

DECLARATION OF CONFORMITY
CONFLICT MINERALS

Concerning the legal requirements stipulated by:

One Hundred Eleventh Congress of the United States of America cited as “Dodd-Frank Wall Street Reform and Consumer Protection Act” at “Section 1502 - **Conflict Minerals**. Sense of Congress on Exploitation and Trade of Conflict Minerals Origination in the Democratic Republic of the Congo”,

we declare that our manufactured products, **cold rolled stainless steel strips**, do not contain in their composition any of the following minerals: Tantalum (Ta), Tin (Sn), Gold (Au) and Tungsten (W).

This declaration is based on conformity declarations received from our raw material suppliers, and to the fact that, during our technological processes we do not change the composition of the material.
